You and five other guests will embark on an incredible 5 day, 4 night yacht charter getaway onboard a private yacht in the beautiful out islands of Abaco, Bahamas.

The tall ship is a one of a kind luxury motor/sailing Gulet over 100ft in length. This wooden ship is a work of art, and is affectionately referred to as the "tree of life". 6 guests will be accommodated in 3 deluxe cabins. Each cabin is well appointed with its own glass enclosed shower, vanity and toilet. The cabins are comfortable and gracious, with A/C, varnished mahogany interiors and leather upholstery.

From the moment you step on board, you will surround yourself with the salty air of the sea, warm teak decks, and with a breath and a heartbeat, leave your real world behind, and indulge in the simple pleasures of sun drenched days, as you make that shift into what we call “island life”.

Your captain and crew ensures your day onboard begins with a hearty breakfast offering fresh fruits, muffins, eggs your style, and hot fresh brewed coffee. Evening meals on board are special. Enjoy fresh fish, catch of the day, local lobster, red meats, chicken, pasta’s, and handmade salads and sides. A large selection of wines and local beers, along with mixed drinks are available at either of the two full bars onboard.

How much or how little you decide to do, is totally up to you. We offer all the water activities you can imagine, including kayaks, stand up paddle boards, snorkel gear, and your own dinghy to visit deserted beaches where the only footprints will be your own.

The out islands of the Bahamas and Abaco in particular offers the best possible vacation experience, with unlimited water sports, and incredible and unique diversity of underwater marine life, and beautiful uninhabited beaches and cays. We will show you the best that this stunning archipelago has to offer.

This private yacht charter is designed to be laid back, in unspoiled beauty and unstructured so you can relax and enjoy all the experience has to offer, yet in comfort and leisurely indulgence.
